He Saw V ision of Found
Dan Dean, city dog lesseer, teld the
city council Friday that is dogs hat
here redocured from the city pound.
He said there was a sorre of fine
dags in the pound which he inted to
hill Mayor Charles Davis and the
conneil ordered Dean to hold the fine
head dogs a little langer than the
regulation three days no as to give
the owners more time to redeem
them.

We hate to kill the fine blooded
dogs, said mayor Davis. They might
belong to some ohild who primes them
dearly, or to men or women who
would hate to home them.

Dean said he caught a mad dog
Friday which was beaming at the
mouth. He died som after Dann put
him is the wagon, he said.

What made him mad? saked the
mayor.

A TRUST ESTATE

Based upon the daily production reports below is earning at the rate of 55% per annum. Fort Worth National Bank, Sole Trustee.

PROPERTIES: In addition to owning one one-hundredth beneficial interest of the entire properties of Pleasant Grove Boysity Syndicate. L. M. White. Trustee: the Company owns Royalty and Production interests hereinafter called Royalties. These Royalty are hused on the usual 1-bit of the oil produced and includes all preduction interests which are free of any expense, and which are included under the term Royalty. The said interests are as follows: 1-15th the Royalty in the Brooks Suchievastern tract; 1-15th the Royalty in the Brooks Edistrictly Into the Royalty in the Royalty in the Royalty in the Royalty in the Shifth lease; 1-8th the Royalty in the Royalty in the Shifth lease; 1-8th the Royalty in the Lax areas of tall undivided 1-8th Boyalty in the L. C. Dennison heirs tract, being an interest that shares propertionately ever the autice Dennison survey. One half of one full scene undivided 1-8th Royalty in the Peoples tract. In addition the Plannant Grove Royalty Syndhesis owns as follows: 1-8th the Royalty in the Encodes-Horseles tract; 1-8th the Royalty in the Ell and C. L. Persins tracts; 1-8th the Royalty in the Royalty in

EXEMISES: Based upon the production of the Eidersdo Brooks well alone, which production in accordance with the very latest reports, is exercing this company a daily income of \$153.00, which is at the rate of 45.2 per cost a much, and at the rate of 55 per cost per annum. The recent rise from \$2.25 to \$2.50 per barrel of Hunger crude oil increases the total value of the oil and income proportionstaly. The recent production which the company is receiving from the other tracks makes this laws exceedingly alterative to the extent that we homestly believe this company, if not right at present, will be sarning at the daily production rate that would be equivalent to at least 75 per cent per annum.

DEVIDENDS. Accorded earnings will be paid out monthly by the Fort Worth National Bank. Trustee, to the Unit Helders of record. In accordance with the terms of the Trust agreement all earnings and income from every source from the Trust's properties shall be paid out in the form of dividends.

NLY 5 DAYS MORE AT THIS SEND IN YOUR ORDER TODAY-ACT NOW!

PLACE PART OF YOUR BONUS MONEY IN LITTLE MOT OR KAR STOCK

Today you have an opportunity before you that may never come again— Today you have the opportunity to buy GROUND FLOOR SECURITIES in a GOING business, one that is destined to become one of the largest manufacturers of small automobiles in this country.

By investing a part of your Christmas Savings or Bonus in these securities you may lay the foundation for a great fortune as this stock is expected to increase stead-

Profitable production and sales always raise the price of securities. GROUND FLOOR Securities in the Little Motor Kar Company can now be bought at \$2 DECEMBER 23RD THEY WILL BE \$4 PER SHARE.

The demand for automobiles today is greater than ever before in the history of this country. A popular priced car can be sold by the thousands quickly, Our first factory unit is completed. Second unit is now underway.

The Few Dollars You Invest Now May Make You Many Thomsand Quickly.

Our first cars have been tried and tested and others are now being turned out. Our engines are being built in quantity lots from our own tools in a large porthern plant in order to hurry production.

Machinery has been installed and is now running in our own plant; other tools and supplies are coming in daily.

Opportunity presents itself to you and its present call is short at \$2 per share, as the price will be raised to \$4 per share midnight, Dec. 23.

This opportunity should make you money—MUCH MONEY—but you must act quickly.

And remember, automobile investments are money-makers and those who usually make the most money out of these investments are those who buy stock EARLY. Some have returned as much as \$2500 for every dollar invested.
